This week take some time to meditate on the people around you. Who in your life needs to come to know the Lord? Once you have some people that come to mind, take some time to pray a spiritual warfare prayer for them. You can open the bible to Ephesians 6:13-18 and pray each part of the armor for that particular person or people. Once you are done praying this over those people, pray this over your own life so that you can personally get right with God and be protected against the evil in this world.
