This week read Proverbs 3:5-6. Meditate on how you are doing personally when it comes to your trust in God and His promises. Do you believe all of what God has promised you? Or are you only believing parts of it? If there are areas in your life that you haven't fully surrendered to God or a promise that you are having trouble believing, ask your LIFE group leader to help you understand the promise or ask God to help you change the way that you think to believe in all that He has for you.
