Discussion Questions for May 29th /June 2nd

KICKING IT OFF: What's the craziest thing on your bucket list?

MEMORY VERSE: "Peace I leave with you; My peace I give to you; not as the world gives do I give to you. Do not let your heart be troubled, nor let it be fearful."

John 14:27 NASB

DISCUSSION QUESTIONS

1. Read John 14:27. What is the meaning and importance that the Peace Jesus gives us is "His" peace? What are we not to let happen to us? Why is this important?
2. Read John 16:33. According to this verse, what will give us peace? What will we need to do to have this consistently a part of our lives? What does it mean to "take heart"?
3. Read Romans 5:1-2. Justification means that God will treat us "just as if" none of our sin ever happened. How are we justified before God? How did Jesus bring peace between you and God?
4. Read Colossians 1:19-23. Before Jesus died on the Cross for us, what was our relationship with God like? What is it that we are to continue in so that we can always have peace with God?
5. Read Philippians 4:4-7. What we are told to do in these verses? How would we actually do this in our lives?

6. Read 2 Thessalonians 3:16. In what circumstances will Jesus give us this peace? Do you personally believe this is possible? Why or why not?
7. Read Romans 16:20. What will the God of peace do? Whose feet will this take place under? What would it mean when this happens?

LIVE "LIFE" NOW:

Love Like Jesus Loves • Intentional Intimacy • Fully Surrendered • Experience More

The United States is the most stressed out nation in the world. Our busy lives, the high demands of work and school, have robbed us from experiencing peace in our lives. God wants us to experience HIS shalom/peace! The best way to do this is to meet with Him and to trust Him with whatever may be causing worry and stress.

This week, take some time to reflect and see if there is anything in your personal life that is robbing you of your peace. Cast these troubles and cares upon the Lord and let Him take care of them. Also, share with someone that you trust some of the things that are robbing you of your peace and ask them to come alongside to extinguish it from your life.
