Andy Stanley writes, "Jesus expanded neighbor beyond the boundaries of Judea and Galilee. He broadened the definition beyond...and He did it with a question...that continues to force even the most upright among us to examine our hearts and prejudices, our innate contempt for those who aren't like us." The question Jesus asked was, "Who is your neighbor?"

This week reflect on how you are honestly doing with loving your neighbors (your physical ones and those people that God has put into your life to minister to)? Have you loved them well? What is one way that you can show love to your neighbor this week?
