### **LIVE "LIFE" NOW:**

Love Like Jesus Loves • Intentional Intimacy • Fully Surrendered • Experience More

God wants nothing more than for you to personally experience Him. This week take some time to reflect how you personally connect and experience God (feel free to go back through the ILMC journal). Is there something that is personally keeping you from fully experiencing all that God has for you? Ask God to remove it and make sure to share whatever it is with someone that you personally trust.
