We have a real enemy that has come to kill, steal, and destroy your life. One of the main weapons he uses to do this is “Mammon.” The enemy wants to make you believe that money can solve any problem, buy happiness, and offer security. He does this so that “Mammon” takes the place of God in your life. This week take some time to meditate on this question, “Are there lies that I have personally believed about money?” Make sure to share any of these revelations with someone that you trust and have them hold you accountable to replacing the lies with the Truth of God.
