Sermon Series: How to Live a Life with Purpose

Memory Verse: Hebrews 12:2

Fixing your eyes on Jesus, the author and perfecter of faith, who for the joy set before him endured the cross, despising the shame, and has sat down at the right hand of the throne of God.

Opener: We all have had MUST moments in our lives and the moment may have consumed us and kept us from people or other things. Reflect on MUST moment you have had and share it consumed you in the moment.

- 1. Read Luke 24:32:** Luke describes how they felt when Jesus spoke to them and the intensity of the feeling. How do you experience Jesus when he speaks to you and what feelings do you notice within your body?
- 2.** Pastor Chuck talked about having a healthy fear of the Lord and how it is lacking in today's world. Discuss with your group what it means to have a healthy fear of the Lord and what looks like in your own life.
- 3.** The word MUST in the bible means "that which must necessarily take place; must; necessary, obligation." Think about the world's definition of MUST and the biblical meaning of MUST. Which definition guides your life, your decisions and how does it effect your relationship with Jesus?

Action Point: Take inventory of the MUSTs in your life currently and how those musts are consuming you. Are they keeping you from living the life God has called you to? In a time of prayer with God, ask him to change your MUST to match his MUST he has for you.
