You Believe That? – LGBTQIA+
Discussion Questions

Opener: Share with your group what resonated most with you from Pastor Craig’s sermon and why?

1. Read 1 Corinthians 6:9-10- Pastor Craig said sexual identity is an idle of today’s society, but sexual identity does not define us. Discuss the consequences of worshiping idols instead of God. How do you prevent yourself from worshiping idols?
2. Read 1 Timothy 1:8-11, The passage states “the law is good when used correctly” with a list of acts that are unlawful. Which act, if any, do you struggle and who in your community knows about the struggle?
3. Read Romans 1:24-25, Pastor Craig said the core of a sinful life is not the sin itself, rather the core of sin is choosing to fulfill human desires instead of following God’s word. Thinking about your life, are there any areas in your life where you choose to fulfill your human desires instead of following God’s word?

Take Action: Jesus would tell everyone within the LGBTQ+ community “I am here for you.” Who in your life identifies as a member of the LGBTQ+ community that you can reach out to and genuinely say “I’m here for you” and what actions can you take?
