**You Believe That? – Life Begins at Conception**  
**Discussion Questions**

**MEMORY VERSE:**

**Kicking It Off – The world’s views on topics such as abortions often conflict with biblical teachings. Discuss other topics that do not align with biblical teaching and how those views have shaped the way people treat others.**

1. Read Proverbs 24:11-12- As believers, followers of Christ, we have a calling to stand with those who are oppressed and not turn away. We will have to stand before God and give an account for the times we chose to turn away. These verses instruct us to make a physical or mental effort to save the lives of those in danger. In the context of abortion, how do we make such an effort in a world that wants us to stay silent.
2. Pastor Chuck defined harah- which means to be pregnant with child. He also said we used the phrase “with child” up until not too long ago. Discuss with your group possible reasons this phrase is no longer used in society. What significance might it carry?
3. Read Psalm 139:1-18- Take a moment to think about how true this passage is for ALL lives, born and unborn. Discuss how this passage describes God’s creation of a child in the womb.

Putting It into Action – The topic of life and when it begins can be uncomfortable to talk about with people who have different beliefs. Think about your beliefs and how much they align with what the Bible teaches or differs. When do you believe life begins and who can you share that with this week?
