Live Like You're Dying: What's so Special about Heaven?

Memory Verse:

1 Peter 1:4 (NLT) "to an inheritance that is imperishable, undefiled, and unfading, kept in heaven for you,".

ICE BREAKER: Did you have a different view of heaven before accepting Christ? If so, how has that changed to your view now?

1. Read Matthew 6:19-20, What does it mean by treasures? We invest to make our finances, time, skills etc. in things that are important and/or provide a profit. Are your investments being stored in heaven?
2. We learned that Heaven is undefiled and only those that have accepted Christ as their abba Father will have access to heaven (Read Revelation 21:27). What awaits those that are living in Sin? Read 1 Timothy 2:1-4, are you sharing the knowledge?
3. Read Revelation 21:5 & Ecclesiastes 3:11, Share with your group your favorite season in life, the most joyful moment you can remember. How would it feel to relieve that joy in the presence of God forever? What does it mean that He has planted eternity in the human heart?

Call to Action: This week, reflect on Heaven and the ultimate place we should invest our treasures. With that in mind, make it a point to tell one person what is so special about heaven. *"He will wipe away every tear from their eyes, and death shall be no more, neither shall there be mourning, nor crying, nor pain anymore, for the former things have passed away."*
