Unstuck † Week 4 "WHAT TO DO WHEN YOU LOSE WHO YOU ARE"

At some time in our lives, most of us have struggled with the question, "Who am I, and why am I here? Pastor Chuck gave us the answer to these questions. "We have a God-given identity, which leads to a God-given purpose." Although that is excellent news, that isn't all we learned. So, let's spend some time unpacking more from Sunday's message. Because God's specific identity for you is the key to getting unstuck.

GETTING TO KNOW YOU

If this is the first time your group has met, take a moment to introduce yourself, share something about your family, and tell the group how you ended up at Crossroads.

Ice Breaker - Share a time when you experienced a mistaken identity moment. Did somebody mistake you for someone else, or did you mistakenly start talking to someone, thinking they were someone else?
