

Social Activities

We encourage groups to plan a fun field trip to take together every quarter. This is a great opportunity for Groups with families to include their children. This is also a great time to invite other people that you hope might join your Group. This could be a neighbor or family member who is not involved at Crossroads or someone from our church who is ready to take their next step and join a Group.

Local Group Activities

Below is a wide variety of activities that can be found right here in our community of Corona.
