1 John 3

Do not let yourselves conform to the pattern of this world but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing, and perfect will. – Romans 12:2

Pastor Chuck talked about how we are transformed by God when we seek and receive Jesus Christ as our Lord and Savior. God loves us unconditionally and eternally. There is nothing like God's love. His love is steadfast.

GETTING TO KNOW YOU

What are some blessings that you have received in this season of life? Have you seen any double blessings?

SERMON NOTES REVIEW

Looking back at your sermon notes from this weekend's teaching, was there anything said that caught your attention, challenged you or confused you?

DIGGING DEEPER

- 1) How has God transformed you? Give a short testimony of how you came to Christ. Are there areas that you see God still transforming you?
- 2) As a child of God, God wants us to be fulfilled with His love and glory. Tell us about a time where God has fulfilled your hearts' desire, or taken away that desire if it wasn't in His will for you?

TAKING IT HOME

Pastor Chuck talked about Nasa's story and her passing with Lupus. She shined God's light through her suffering and gave glory to God with her steadfast faith. How do you respond to God's love through hard seasons in your life? Do you project God's light? How did her story impact you?

PRAYER TIME

Give a guided prayer instruction to tie it all together. Be mindful of the time it would take larger groups to get through the prayer exercise. It can be simple.

ACTION STEPS

Live your life boldly for God this week. Write down 3 things you are grateful for each day and see how God uses you to bless others.
